13 **“SEC. 4B. REQUIREMENTS WITH RESPECT TO CERTAIN**
14 **TRANSACTIONS INVOLVING ANCILLARY AS-**
15 **SETS.**

16 “(a) DEFINITIONS.—In this section:

17 “(1) ANCILLARY ASSET.—

18 “(A) IN GENERAL.—The term ‘ancillary
19 asset’ means an intangible, commercially fun-
20 gible asset, including a digital commodity, that
21 is offered, sold, or otherwise distributed to a
22 person in connection with the purchase and sale
23 of a security through an arrangement that con-
24 stitutes an investment contract, as that term is
25 used in section 2(a)(1) and as further clarified

1 by the Commission through the final rule
2 adopted under section 105 of the Responsible
3 Financial Innovation Act of 2025.

4 “(B) DISQUALIFYING FINANCIAL
5 RIGHTS.—The term ‘ancillary asset’ does not
6 include an asset that provides the owner of the
7 asset with any of the following rights in a per-
8 son:

9 “(i) A debt or equity interest in that
10 person.

11 “(ii) Liquidation rights with respect
12 to that person.

22 “(2) ANCILLARY ASSET ORIGINATOR.—

23 “(A) IN GENERAL.—Consistent with para-
24 graph (3), the term ‘ancillary asset originator’
25 means, with respect to a particular ancillary

1 asset, a person that (whether directly or
2 through 1 or more subsidiary or controlled enti-
3 ties)—

4 “(i) initially offers, sells, or distributes
5 the ancillary asset; or

6 “(ii) during the 12-month period be-

9 uted, controls or causes the offer, sale, or
10 distribution of that ancillary asset.

11 “(B) JOINT AND SEVERAL CONSIDER-
12 ATION.—For the purposes of this paragraph, if
13 the person that initially offered, sold, or distrib-
14 uted an ancillary asset (or otherwise controlled
15 the initial offer, sale, or distribution of the an-
16 cillary asset) did not receive the largest amount
17 of those ancillary assets distributed in the 12-
18 month period following the commencement of
19 that offer, sale, or distribution, then the entity
20 that received the largest amount of those ancil-
21 lary assets in that period shall be jointly and
22 severally considered to be an ancillary asset
23 originator with respect to that ancillary asset
24 (with the person that controlled such offer, sale,

2 (c).

3 “(3) FOREIGN ORIGINATOR.—

13 asset originator are located in the
14 United States or owned by per-
15 sons located in the United States.

16 “(cc) The business of the
17 ancillary asset originator is prin-
18 cipally administered in the
19 United States.

20 “(B) INCLUSION.—The term ‘foreign origi-

22 that has only offered, sold, or distributed ancil-

10 TRANSACTIONS.—

11 “(1) IN GENERAL.—Notwithstanding any other
12 provision of law, and subject to paragraph (2), an

16 “(A) section 2(a)(1);

17 “(B) section 3(a) of the Securities Ex-
18 change Act of 1934 (15 U.S.C. 78c(a));

1 “(F) any applicable requirement of State
2 law, including any provision of State law that
3 directly or indirectly prohibits, limits, or im-
4 poses any conditions on the use, offer, sale,
5 transfer, or disposition of an ancillary asset in
6 a manner that is not substantially similar to
7 prohibitions, limitations, or conditions imposed
8 by that State relating to assets that are com-
9 modities under the laws of that State and that
10 is inconsistent with this section.

11 “(2) SELF-CERTIFICATION.—

12 “(A) SUBMISSION.—An ancillary asset
13 originator may, in connection with an offer,
14 sale, or distribution of the related ancillary
15 asset, submit to the Commission a written self-
16 certification, supported by reasonable evidence,
17 that such ancillary asset does not provide the
18 owner of the asset with a right described in
19 subsection (a)(1)(B).

20 “(B) AUTOMATIC EFFECTIVENESS.—A
21 self-certification submitted under subparagraph
22 (A) by an ancillary asset originator shall be-
23 come effective upon the earlier of—

24 “(i) the date on which the Commis-
25 sion notifies the ancillary asset originator

1 in writing that the Commission does not
2 object to the self-certification; or

3 “(ii) if the Commission has not issued
4 a rebuttal to the ancillary asset originator

21 Commission; and

22 “(II) have a vote of the Commis-

1 asset provides the owner of the asset
2 with a right described in subsection
3 (a)(1)(B).

4 “(3) GRATUITOUS DISTRIBUTION.—A gratu-
5 itous distribution shall not be considered to be a
6 transaction in securities under any provision of law
7 described in paragraph (1).

19 “(II) by providing to the ancil-
20 lary asset originator 10 days notice of
21 the intent of the Commission to rebut
22 that certification, after which the
23 Commission shall—

24 “(aa) conduct a hearing be-
25 fore the Commission; and

1 “(bb) have a vote of the
2 Commission to rebut the certifi-
3 cation after a finding, based on
4 clear and convincing evidence,
5 that the applicable ancillary asset
6 provides the owner of the asset
7 with a right described in sub-
8 section (a)(1)(B).

9 “(4) VOLUNTARY DISCLOSURE.—An ancillary
10 asset originator may voluntarily furnish with the
11 Commission the information required under this

15 ments of paragraph (1) or (3) of subsection (c) in
16 the future.

17 “(5) RULEMAKING CONSIDERATIONS.—In pro-
18 mulgating rules under this subsection, the Commis-

8 any information purporting to have been prepared
9 on the authority of an expert.

10 “(e) EXEMPTIONS.—The Commission may, by order,
11 exempt an ancillary asset originator from specified re-
12 quirements under subsection (d) for good cause.

13 “(f) EFFECT OF FAILURE TO COMPLY.—The failure
14 of an ancillary asset originator to comply with a provision
15 of this section shall not cause an ancillary asset offered,
16 sold, or distributed by that ancillary asset originator to
17 be a security under any applicable law.

18 “(g) LIABILITY FOR FALSE OR MISLEADING STATE-
19 MENTS.—

20 “(1) IN GENERAL.—Except as provided in sub-
21 section (i), any statement made in a disclosure, cer-
22 tification, or other document furnished under this
23 section shall be subject to section 17.

1 “(2) RULE OF CONSTRUCTION.—Nothing in
2 this subsection may be construed as creating a pri-

4 “(h) SPECIAL DISPOSITION RESTRICTIONS BY RE-
5 LATED PERSONS.—The Commission shall adopt rules,
6 consistent with section 103 of the Responsible Financial

24 “(1) the statement is—

25 “(A) identified as forward-looking; and

1 “(B) accompanied by meaningful cau-
2 tionary language that identifies important fac-
3 tors that could cause actual results to differ
4 materially; or

5 “(2) the plaintiff fails to prove that the person
6 that made the statement had actual knowledge that
7 the statement was false or misleading when made.

8 “(j) RULEMAKING.—All rules under this section shall
9 be adopted pursuant to notice and comment rulemaking
10 under chapter 5 of title 5, United States Code, after con-
11 sultation with the Commodity Futures Trading Commis-
12 sion.

13 “(k) RULES OF CONSTRUCTION.—Nothing in this
14 section may be construed to—

15 “(1) preclude the Commission from bringing an
16 appropriate action or entering into a settlement
17 agreement relating to a violation or alleged violation
18 of this section;

19 “(2) permit compliance with this section to be
20 used in any administrative or judicial proceeding as
21 evidence that an ancillary asset is a security; or

22 “(3) except as otherwise provided in the Re-
23 sponsible Financial Innovation Act of 2025, create a
24 private right of action.”.

2 conducting a review under subparagraph (A),
3 determines not to increase the amount de-

7 the Commission shall submit to the Committee

19 **SEC. 103. SPECIAL DISPOSITION RESTRICTIONS BY RE-**
20 **LATED PERSONS.**

21 (a) DEFINITION.—In this section, the term “related
22 person” means—

23 (1) any person that is, or was during the most

8 (3) any person or group of persons under com-
9 mon control that beneficially owns 5 percent or more
10 of the outstanding units of an ancillary asset, if
11 those units were acquired from—

12 (A) the applicable ancillary asset origi-
13 nator; or

14 (B) persons acting on behalf of the appli-
15 cable ancillary asset originator.

16 (b) COMMON CONTROL.—

17 (1) IN GENERAL.—The Commission shall pro-
18 mulgate rules to define the circumstances under
19 which a digital network is considered to be under
20 common control by related persons for the purposes
21 of section 102(c)(2).

22 (2) CONSIDERATIONS.—In promulgating rules
23 under paragraph (1), the Commission shall consider,
24 among other possible considerations brought to the
25 attention of the Commission, the following with re-

1 spect to a digital network described in that para-
2 graph:

3 (A) The ability of a person or group of
4 persons to unilaterally alter, restrict, or direct
5 the operation or governance of the digital net-
6 work.

7 (B) The distribution of voting power of
8 governance rights among participants in the
9 digital network.

16 (E) Any other factor that the Commission
17 determines relevant to assessing control and
18 independence with respect to the digital net-
19 work.

20 (3) SAFE HARBORS.—With respect to the rules
21 promulgated under this subsection, the Commission
22 may establish safe harbors or examples of when a
23 digital network will not be considered to be under
24 common control by related persons for the purposes
25 of section 102(c)(2).

1 (4) EVIDENCE.—The Commission may, in pro-
2 mulgating rules under this subsection, require such
3 certifications, third party verifications, or other evi-
4 dence as the Commission determines necessary to
5 determine whether a digital network is under com-
6 mon control by related persons for the purposes of
7 section 102(c)(2).

8 (c) CERTAIN RESTRICTIONS ON SALE.—The Com-
9 mission shall adopt rules that provide that, with respect
10 to an ancillary asset that satisfies the conditions for an
11 exemption under section 102(b), when a sale of that ancil-
12 lary asset is made by a related person, the following re-
13 strictions on that sale shall apply:

14 (1) SALES PRIOR TO CERTIFICATION.—If the
15 ancillary asset relies on a digital network, the ancil-
16 lary asset may be sold by a related person before
17 that digital network is certified as not subject to
18 common control by related persons, pursuant to sub-
19 section (d), if—

20 (A) with respect to that digital network,
21 disclosures have been furnished pursuant to
22 section 4B(d) of the Securities Act of 1933, as
23 added by this Act;

24 (B) the holder of the ancillary asset has
25 held the units for not less than 12 months;

1 (C) the aggregate amount of ancillary as-
2 sets sold in any 90-day period by the related
3 person in any calendar year is not greater than
4 15 percent of the total amount of ancillary as-
5 sets acquired from the applicable ancillary asset
6 originator; and

7 (D) not later than 5 business days after
8 that sale, the related person furnishes the Com-
9 mission with a public report with such informa-
10 tion as the Commission may require by rule
11 consistent with reports required under section
12 16(a) of the Securities Exchange Act of 1934
13 (15 U.S.C. 78p(a)), relating to the number of
14 ancillary assets sold and the material terms of
15 that sale.

16 (2) SALES AFTER CERTIFICATION.—The ancil-
17 lary asset may be sold by a related person after the
18 digital network on which the ancillary asset relies is
19 certified as not subject to common control by related
20 persons, pursuant to subsection (d), if—

21 (A) with respect to that digital network,
22 disclosures have been furnished pursuant to
23 section 4B(d) of the Securities Act of 1933, as
24 added by this Act;

1 (B) the holder of the ancillary asset has
2 held the units for not less than 12 months;

4 sets sold in any 90-day period by the related
5 person in any calendar year is not greater than
6 25 percent of the total amount of ancillary as-
7 sets acquired from the applicable ancillary asset
8 originator; and

9 (D) in the case of a related person that
10 beneficially owns 5 percent or more of the out-
11 standing ancillary assets, the related person,
12 not later than 5 business days after that sale,
13 furnishes the Commission with a public report
14 with such information as the Commission may
15 require by rule relating to the assets sold and
16 the circumstances surrounding that sale.

17 (d) CERTIFICATION OF NON-CONTROL BY RELATED
18 PERSONS.—

19 (1) IN GENERAL.—With respect to an ancillary
20 asset that satisfies the conditions for an exemption
21 under section 102(b), and that relies on a digital
22 network, the digital network shall be deemed to not
23 be under the common control of related persons on
24 the date that is 90 days, or such shorter period as
25 the Commission may determine, after the date on

1 which the applicable ancillary asset originator fur-
2 nishes the Commission with a written self-certifi-
3 cation with the Commission stating that the digital
4 network is not under such common control, as speci-
5 fied by rule of the Commission consistent with sub-
6 section (b).

7 (2) VERIFICATION.—The Commission may, by
8 rule, require appropriate third party verification of
9 a self-certification furnished under paragraph (1).

10 (e) DISGORGEMENT.—

11 (1) IN GENERAL.—Any profit realized by a re-
12 lated person from the sale of an ancillary asset in
13 violation of the restrictions under subsection (b),
14 shall inure to, and be recoverable by, the holders of
15 the ancillary asset, irrespective of any intention of
16 holding the asset.

17 (2) ENFORCEMENT.—An action to recover prof-
18 it described in subparagraph (A)—

19 (A) may be instituted at law or in equity
20 in any appropriate court of the United States
21 by—

22 (i) the applicable ancillary asset origi-
23 nator; or

24 (ii) the owner of any units of the ap-
25 plicable ancillary asset, in the name and on

1 behalf of the ancillary asset originator, if
2 the ancillary asset originator—

3 (I) fails or refuses to bring the
4 action within 60 days after a written
5 request by any owner of not less than
6 5 percent of the units of that ancillary
7 asset; or

8 (II) fails to diligently prosecute
9 the action; and

10 (B) shall be brought not later than 2 years
11 after the date that profit was realized.

12 (3) EXPENSES.—If an action under this sub-
13 section is brought by a person described in para-
14 graph (2)(A)(ii) and that action is unsuccessful, the
15 person that brought the action shall be responsible
16 for the fees and expenses incurred by the person
17 against which the action is brought.

18 **SEC. 104. FINANCIAL INTERESTS OF ANCILLARY ASSETS.**

19 (a) IN GENERAL.—Not later than 1 year after the
20 date of enactment of this Act, the Commission shall pro-
21 mulgate regulations that provide that an ancillary asset,
22 the market value of which is primarily derived, or is rea-
23 sonably expected to be substantially derived, from its sys-
24 tem-based utility on a digital network (including where the
25 ancillary asset is used within, facilitates access to, enables

1 participation in, or is otherwise incorporated into the oper-
2 ation of a distributed ledger system) or from the broader
3 adoption and use of such a system, shall not be considered
4 to be an express or implied financial interest in a person
5 under section 4B(a)(1)(B)(iv) of the Securities Act of
6 1933, as added by this Act.

7 (b) **RULING BEFORE DATE OF ENACTMENT.**—If, be-
8 fore the date of enactment of this Act, a court of the
9 United States, in a non-appealable final judgment, finds
10 that a digital asset transaction is not an offer or sale of
11 a security, a digital asset transferred pursuant to that
12 offer or sale shall not, consistent with section 4B of the
13 Securities Act of 1933, as added by this Act, be considered
14 to be a security under any provision of law described in
15 subsection (b)(1) of such section 4B.

16 **SEC. 105. INVESTMENT CONTRACT RULEMAKING.**

17 (a) **IN GENERAL.**—Not later than 2 years after the
18 date of enactment of this Act, the Commission shall adopt
19 a final rule specifying clear criteria and definitions gov-
20 erning the term “investment contract”, which shall apply
21 to the term “investment contract”, as used in—

22 (1) section 2(a)(1) of the Securities Act of 1933
23 (15 U.S.C. 77b(a)(1));

24 (2) section 3(a)(10) of the Securities Exchange

4 ers Act of 1940 (15 U.S.C. 80b–2(a)(18)).

5 (b) REQUIREMENTS.—The rule adopted under sub-
6 section (a) shall provide that a contract shall be considered
7 an investment contract only if the contract meets the fol-
8 lowing elements:

10 which shall include more than a de minimis amount
11 of cash (or its equivalent) or services.

12 (2) An investment described in paragraph (1) is
13 made in a business entity, whether incorporated, un-
14 incorporated, organized, or unorganized.

18 veloper or provider” means any person or business
19 that creates or publishes software to facilitate the
20 creation of, or provide maintenance to, a distributed
21 ledger, or a service associated with a distributed
22 ledger.

23 (2) DISTRIBUTED LEDGER SERVICE.—The term
24 “distributed ledger service” means any information,
25 transaction, or computing service or system that

12 mand, or effectuate transactions involving digital as-
13 sets to which users are entitled, without the ap-
14 proval, consent, or direction of any other third
15 party.

16 (c) TREATMENT.—Notwithstanding any other provi-
17 sion of law, a non-controlling developer or provider—

18 (1) shall not be treated as—

19 (A) a money transmitter; or

20 (B) engaged in money transmitting; and

21 (2) on or after the date of enactment of this
22 Act, shall not be otherwise subject to any registra-
23 tion requirement that is substantially similar to the
24 requirement that applies to money transmitters, as

1 in effect on the day before the date of enactment of
2 this Act, solely on the basis of—

3 (A) creating or publishing software to fa-

5 nance services to, a distributed ledger or a serv-
6 ice associated with a distributed ledger;

7 (B) providing hardware or software to fa-

17 engaged in money transmitting, under applicable
18 Federal or State law, including laws relating to anti-
19 money laundering or countering the financing of ter-
20 rorism, based on conduct outside the scope of sub-
21 section (c);

22 (2) to affect whether a developer or provider is
23 otherwise subject to classification or treatment as a
24 financial institution under subchapter II of chapter

1 53 of title 31, United States Code, this Act, or any
2 Act enacted after the date of enactment of this Act;

3 (3) to limit or expand any law pertaining to in-
4 tellectual property;

5 (4) to prevent any State from enforcing any
6 State law that is consistent with this section; or

7 (5) create a cause of action or impose liability
8 under any State or local law that is inconsistent
9 with this section.

10 **SEC. 403. SELF-CUSTODY.**

11 (a) DEFINITIONS.—In this section:

12 (1) COVERED USER.—The term “covered user”
13 means a person that obtains digital assets to pur-
14 chase goods or services on that person’s own behalf,
15 without regard to the method in which such covered
16 user obtained such digital assets.

17 (2) SELF-HOSTED WALLET.—The term “self-
18 hosted wallet” means a digital interface—

19 (A) used to secure and transfer digital as-
20 sets; and

21 (B) under which the owner of digital assets
22 retains independent control over such assets
23 that is secured by such digital interface.

1 (b) SELF-CUSTODY.—The head of a Federal agency
2 may not prohibit, restrict, or otherwise impair the ability
3 of a covered user to—

4 (1) use digital assets for such user’s own lawful
5 purposes, such as to purchase real or virtual goods
6 and services for the user’s own use; or

7 (2) self-custody digital assets using a self-
8 hosted wallet or other means to conduct transactions
9 for any lawful purpose.

10 **SEC. 404. INTERNATIONAL COOPERATION.**

11 (a) IN GENERAL.—In order to promote United States
12 leadership in effective, reciprocal, and innovative global
13 regulation of digital assets, and to advance the strategic
14 economic and policy interests of the United States, the
15 Commission, as appropriate—

16 (1) shall consult and coordinate with foreign
17 regulatory authorities on the application of con-
18 sistent international standards with respect to the
19 regulation of digital assets;

20 (2) may enter into such information-sharing ar-

5 to that granted to foreign counterparts operating
6 within the United States;

7 (4) shall advocate in international fora for the
8 development and adoption of technology-neutral,
9 open standards that preserve lawful access to public
10 blockchain infrastructure, support dollar-denomi-
11 nated digital asset usage, and safeguard individual
12 rights including self-custody and privacy; and

13 (5) may, as appropriate, engage in, at the least,
14 cooperative enforcement, supervisory coordination,
15 and joint technical assistance, in a manner that pro-
16 motes responsible innovation in digital financial
17 markets.

18 (b) CROSS-BORDER SANDBOX.—The Commission
19 may leverage the activities described in paragraphs (1)
20 through (5) of subsection (a) to establish or participate
21 in cross-border regulatory sandboxes that build upon the
22 Micro-Innovation Sandbox described in section 401.

23 **SEC. 405. AUTOMATED REGULATORY COMPLIANCE STUDY.**

24 (a) SENSE OF CONGRESS.—Congress finds that—

1 (1) distributed ledger technology may make
2 compliance data natively transparent and machine-
3 readable, enabling new forms of “embedded” or
4 code-based regulation, such as proof-of-reserves, on-
5 chain audit-trail logging, and anti-money laundering
6 screenings; and

7 (2) smart-contract functionality can, as of the
8 date of enactment of this Act, automate contractual
9 terms, meaning that embedding selected disclosure
10 and compliance obligations in similar smart-contract
11 code could lower costs, cut lag times, and improve
12 investor protection.

13 (b) STUDY REQUIRED.—Not later than 2 years after
14 the date of enactment of this Act, the Comptroller General
15 of the United States shall submit to the Committee on
16 Banking, Housing, and Urban Affairs of the Senate and
17 the Committee on Financial Services of the House of Rep-
18 resentatives a report that—

19 (1) maps the landscape of existing (as of the
20 date on which the report is submitted) distributed
21 ledger-based compliance tools, including open-source
22 libraries, standard schemas, and smart-contract tem-
23 plates for—

24 (A) statutory disclosures;

1 (B) real-time reporting and audit-trail log-
2 ging; and

3 (C) anti-money-laundering practices, sanc-
4 tions screening, and customer-identification
5 checks;

6 (2) evaluates the feasibility, benefits, and risks
7 of allowing or requiring registrants to satisfy appli-
8 cable regulatory obligations through on-chain, code-
9 based mechanisms;

10 (3) assesses interoperability with current (as of
11 the date on which the report is submitted) Commis-
12 sion data collection systems and identifies standards
13 or taxonomies, if any, the Commission could publish
14 to ensure consistency;

15 (4) analyzes the costs and benefits to issuers of
16 different sizes, secondary-market intermediaries, in-
17 vestors, and other applicable parties;

18 (5) recommends pilot programs, guidance, or
19 rule changes, and specifies any statutory amend-
20 ments, needed to implement automated compliance;
21 and

22 (6) benchmarks international efforts and
23 consults with any appropriate State, Federal, or for-
24 eign regulators.

1 **SEC. 406. REPORT ON LEGISLATIVE RECOMMENDATIONS.**

2 (a) DEFINITIONS.—In this section:

4 GRESS.—The term “appropriate committees of Con-
5 gress” means—

7 and Urban Affairs of the Senate;

19 mission;

20 (C) the Department of the Treasury;

21 (D) the Federal Deposit Insurance Cor-
22 poration;

24 (F) the National Credit Union Administra-
25 tion;

1 (G) the Office of the Comptroller of the
2 Currency;

3 (H) the Bureau of Consumer Financial
4 Protection; and

5 (I) the Commission.

6 (b) REQUIREMENT.—Not later than 1 year after the
7 date of enactment of this Act, and every 3 years thereafter
8 for a total of not fewer than 12 years after the date of
9 enactment of this Act, each Federal financial regulator
10 shall submit to the appropriate committees of Congress
11 a report that includes—

12 (1) a description of the implementation of this
13 Act and the amendments made by this Act (includ-
14 ing the adoption of rules and guidance, and the ap-
15 proval or rejection of applications submitted, under
16 this Act and the amendments made by this Act),
17 where applicable to the Federal financial regulator;
18 and

19 (2) any legislative recommendations for the fur-
20 ther effective implementation of this Act and the
